

KIANGSU-CHEKIANG COLLEGE (SHATIN)

Ref. No.: 2

September 19, 2016

Dear Parents

On September 17, 2016, a small fire broke out at night in a store room located on 5/F of the old wing of our school premises, which caused damage on the electrical wiring mounted on the ceiling. The electrical supply of 5/F is temporarily suspended.

Registered electrical workers have been arranged to examine our school's electricity supply system to ensure the safety of the school campus. Corresponding arrangements have also been conducted accordingly, which would assure normal operation. Students are requested to return to school as usual.

The annex building has been erected and is pending for registration from the Education Bureau. The building is expected to commence its service promptly, which would enable students to learn in a more desirable environment.

Yours faithfully

WONG CHONG YEE

敬啟者：

本校舊翼五樓儲物室於九月十七日晚上發生小火，波及天花的電線，影響五樓的正常供電。本校已安排電工檢查電力裝置，確保校園安全，並已作出安排，同學可照常上課，不會影響同學的學習。

教學大樓新翼已落成，現正向教育局申請註冊，相信很快可以啟用，屆時學生可以在更理想的環境上課。

此致
各位家長
