

Ref. No.: 27

February 28, 2018

Dear Parents

**The 25th Guangdong Province Remote Area Education Fund
“Helping School Children in Rural Mountainous Areas,
Promoting Eradication of Poverty through Education” Fundraising Campaign**

In recent years, Guangdong Province has undergone rapid economic growth and developed to be a prosperous province. However, many remote areas of the province still face the problem of poverty and fail to provide a chance for children to receive basic education.

The Guangdong Province Remote Area Education Fund, jointly organized by the Government Educational Staff Union, the Hong Kong Aided Primary School Heads Association and “Ming Pao”, with former Directors of Education and Permanent Secretaries of Education Bureau as honorary patrons, has raised funds amounted over 29 million HK dollars and assisted more than 240 schools and thousands of pupils in the remote and deprived areas of Guangdong Province from improving dangerous buildings to installing basic teaching facilities since 1993. These really depend on both parents’ and students’ strong support for the campaign.

In view of this, we sincerely urge you to support the Guangdong Province Remote Area Education Fund and encourage your child to donate some of his/her lucky or pocket money to help set up basic e-learning platforms in those poorly-equipped schools of impoverished areas. This enables our little disadvantaged compatriots to receive education with modern facilities, like our children. This is a good opportunity for you to remind your child to treasure the opportunity to study in such a favorable learning environment and “not to take things for granted”.

To make a donation, please fill in the following reply slip and submit it to the class-teacher on or before Friday, March 16, 2018. The donations will be deposited into the bank account of the Guangdong Province Remote Area Education Fund and the money will then be directly distributed to those schools in need which are proposed by the Department of Education of Guangdong Province and strictly selected by the organizing bodies of the Guangdong Province Remote Area Education Fund. In order to keep you updated on the latest information of the Guangdong Province Remote Area Education Fund, all news about the establishment of education facilities and the progress of fundraising activities will be reported in “Ming Pao”.

Yours faithfully

WONG CHONG YEE
Principal
