Ref. No.: 13

Dear Parents

F.1 to F.3 Weekend Tutorial Classes (1<sup>st</sup> Phase) — Free Tuition

Our school places a great emphasis on the academic achievements of our students. To further raise the academic standard of our students and cater for learner diversities, there are Enhancement and Remedial Classes on English Language, Chinese Language, Mathematics, Putonghua and Liberal Studies Education tailored for the top 10% and the bottom 20% of our students in the aforesaid subjects in different forms respectively. These classes aim at helping top students break through whilst assisting lower achievers to catch up. To widen the scope of beneficiaries, the Weekend Tutorial Classes (1<sup>st</sup> phase) will be held free of charge from 9:00 a.m. to 1:00 p.m. on Saturdays from December 1, 2018 to January 26, 2019. The tuition courses to be offered are listed on the reply slip below.

The Weekend Tutorial Classes aim to provide tuition for needy students and will be conducted by alumni with outstanding academic performance at local universities in small groups. Students who have not been enrolled in any existing enhancement or remedial courses offered by the school will have the priority in joining the tutorial classes. Please complete and return the reply slip to the Class-teacher via your child on or before Wednesday, November 21, 2018. Successful applicants will be notified by the school on Thursday, November 29, 2018 and should attend a briefing session on Friday, November 30, 2018 at 8:10 a.m. in the Multi-Purpose Centre, G/F.

Yours faithfully,
